

# HOW TO PREP YOUR **OUTDOOR SPACE** FOR SUMMER

## **CLEAN & MAINTAIN YOUR OUTDOOR SPACE**

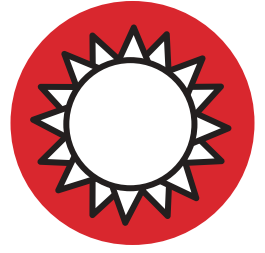

Power wash your decks and patios

Test all outdoor gas, power and water lines

Spray off patio furniture and wash cushions

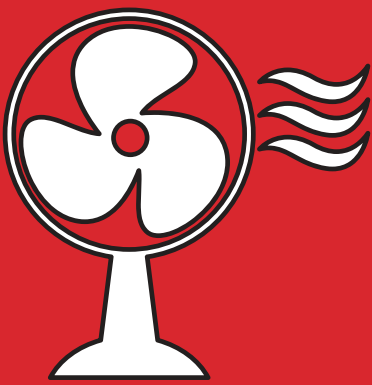

Check for missing stones & tiles, cracked mortar or grout

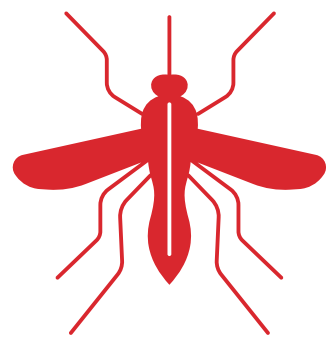

## **CONSIDER ADDING A LIVING AREA**

Adding a covered patio or pergola is a great way to enhance your home's value while also creating a space you can enjoy with family and friends all year long.

Install overhead fans to beat the heat and keep the bugs at bay

Keep pests away by removing standing water, hang curtains or netting and light torches and citronella candles

## **STOCK YOUR OUTDOOR KITCHEN**

Fill your fridge with favorite beverages

Make sure you have all grilling utensils on hand

Restock paper plates and plastic utensils

Take inventory of condiments and favorite seasonings
